Your plot of land will constantly grow more and more new plants, which you need to move. Plant 5 flowers in a row to make them disappear and make room for them. Will you be able to clean up your garden and earn the maximum amount of points? Controls: Game Details: Here is the online game Blooming Gardens, you can play it for free right now. It has 49 player votes with an average rating of 3.98. The game's release date is March 2021. The game can be played on the following platforms: Web Browser (PC), Android / iOS (Mobile). Terms & Conditions|Privacy Go Back Bloomin Gardens Bloomin' Gardens Bloomin' Gardens Bloomin' Gardens Time to get those green fingers working and your garden under control - plants are growing faster than you can pick 'em! ...So get them in rows of five or more to clear some space. The more you clear in a single row, the more points you get. Play Bloomin' Gardens online on your mobile phone, tablet or computer. Click to grab a plant, then click a new patch to replant it - but there must be a clear path through the garden. The game is over when your garden is completely overgrown. This free online game was resurrected by Ruffle. We are using Ruffle to emulate our old Flash games, allowing you to play them once again without Flash player. It doesn't work for every game yet, but we hope to bring back more and more Flash content as Ruffle is further developed. Play Bloomin' Gardens unblocked on any device. Bloomin' Gardens online is optimized for use on PC, Android and iOS devices, including tablets and mobile phones. This game runs directly in your browser - no downloads, no registration, no flash and no plugins are needed to play.
